

JOURNAL OF EDUCATIONAL ACTION RESEARCH

Guidelines for Manuscript

The *Journal of Educational Action Research (JEAR)* is published once a year in Autumn by the Centre for Educational Research and Development, Paro College of Education, Royal University of Bhutan. The *JEAR* aspires to develop a strong educational research and scholarship culture, through which a systematic, collaborative and participatory process of inquiry can actively seek to address areas of concerns facing education today. This would not only help provide technical skills and specialized knowledge, but also bring about positive changes within the classroom, schools or the community at large. The Journal welcomes contributions from researchers and scholars who work in the field of action research and related activities in education. The *JEAR* utilizes a blind peer review process of its manuscript and involves both the national and external reviewers.

The authors/contributors are requested to use the instruction below for preparing a manuscript to submit to the *JEAR*.

Important Notes for the Contributors

The *JEAR* will accept all manuscripts on the condition that the manuscript submitted:

- is your own original work and it is not the duplication of any previously published work, including your own previously published work.
- is currently not under consideration or peer review or accepted for publication or in press or published elsewhere.
- does not contain anything that is defamatory, abusive, fraudulent, libelous or illegal in nature.

All manuscripts considered appropriate for this journal are peer-reviewed. The review process usually takes about one to two months. A copy of the edited paper along with the first proofs will be sent to the author for proofreading. They should be corrected and returned to the Editor within 5 days. Once the final version of the paper has been accepted, authors are requested not to make further changes to the text. The Editor also reserves the right to make any necessary minor changes in the manuscript, or request the author to do so, or reject the manuscript submitted.
