2. The in-person classes on the campus for all the other students will begin on 18th April 2022. Therefore, the boarders (1st and 2nd year BEd students and 1st year DPESC students) should report to the College on 16th and/or 17th April 2022.
3. The students coming from high-risk areas must undergo the mandatory 7 days home quarantine, as per the national COVID protocols.
4. When reporting to the College, students are required to enter through the main gates following the basic health and safety protocols namely wearing face masks, social distancing, hand sanitization, and body temperature check.
5. The online classes should continue as usual in the intervening period from now to the commencement of the in-person classes.
